

J-TEK™ Hitch Cargo Pants

JW11005

Need more storage? J-TEK Hitch Cargo Pants give you exactly what you need. Designed with durability and organization in mind these pants have a total of 9-pockets including: two leather trimmed front notch pockets, one front inset pocket, two back pockets with wallet trap, two cargo pockets with secure flap, and two smaller pockets inside each cargo pocket. As with all of our Justin FR products, these Hitch Cargo Pants are dual-certified to NFPA 2112 and 70E, along with an ATPV rating of 11. Key design features include J-TEK performance, which incorporates knee, crotch, and waist articulation. Perform better with trusted high performance products from Justin FR.

Features and Benefits:

- A** Contoured waistband and back yoke prevents exposure while you bend and crouch
- B** J-TEK performance incorporates articulation in knees and crotch allowing the pants to move when you move
- C** Straight leg design is relaxed over the thigh, while fitting comfortably over work boots
- D** Two deep front notch pockets with leather trim at stress point for carrying a knife or a tape measure; bonus front inset pocket (right side only) for holding valuables in place
- E** Two large back pockets with wallet traps to secure valuables and prevent them from falling out
- F** Two low-profile inset cargo pockets on both sides with flaps to prevent items from falling out; bonus two pockets inside each cargo pocket for better organization
- G** Weather-washed for comfort right from the first wear

Fabric Construction: 10 oz 100% Cotton Ripstop fabric
