

J-TEK™ Shift Crew Tee

JW22005

Stylish and protective, J-TEK Shift Crew Tee is great for wear on the job and off. Made of 100% Cotton, J-TEK Shift Crew Tee is breathable and super absorbent, even under pressure. The raglan sleeves and gusseted sides let you work without restraining your reach and exposing your skin. These features along with the 9.6 ATPV fabric rating allows you to work comfortably and safely throughout the day. Perform better with trusted high performance products from Justin FR.

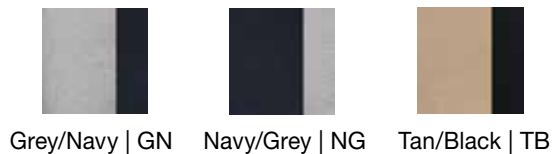

Features and Benefits:

- A** Raglan sleeves and gusseted sides let you work without restraining reach and exposing skin
- B** No-bind, ribbed cuffs will help keep your sleeves in place while working
- C** Crew neck collar with V-front stitch
- D** Dual pen pocket on left sleeve only
- E** Color-blocking design along sides and arm for slimmer silhouette
- F** Justin FR embroidered logo in center of back yolk (not shown)

Fabric Construction: 7.5 oz 100% cotton fabric
